## A Successful High Tea

Our first High Tea proved to be a great success with people bringing some amazing teacups and pots. We had 57 there and raised \$2500. Thank you for your support and thanks to all who helped to make the tea a success, especially to Board member Jenny Dennis who organized the food before going into hospital 3 days later for a double hip replacement.

## Bangarra Dance Theatre Event

On a beautiful sunny Saturday afternoon in June twenty Foundation friends met at the Sydney Opera House to see Bangarra's latest production in celebration of their 25<sup>th</sup> anniversary. The piece, which was a combination of contemporary and aboriginal dance styles, was based on the story of a cultural and language exchange between Patygerang, an aboriginal girl of around 15 and Lieutenant William Dawes. Dawes was a member of the first fleet who made contributions to early Sydney in the fields of astronomy, surveying and linguistics. Sets, costumes, choreography and performances were all outstanding and director Stephen Page is to be congratulated. We raised around \$200 through ticket sales for the Foundation.
